Why Choose Our Emergency Carts?

Key Features from Page 2:

UNMATCHED DURABILITY

- 1. Built to Last:** Crafted with dual-wall steel construction and finished with an antimicrobial powder coating, our carts are designed for incredible strength and effortless cleaning.
- 2. Protection Where You Need It:** Solid plastic corner bumpers shield walls and furniture from damage, ensuring longevity for both your cart and facility.

EFFICIENT ORGANIZATION

- 3. Stay Organized:** Enjoy spacious storage with multiple drawers, designed to keep all your essential medical supplies within easy reach.

SEAMLESS MOBILITY

- 4. Glide Smoothly:** Experience the freedom of movement with our premium 5" swivel casters, featuring two locking and one directional caster for navigating tight spaces with ease.

MODIFIABLE & CUSTOM

- 5. Your Cart, Your Way:** Choose from 23 standard and modifiable colors, available in solid or two-tone options, to perfectly complement your facility's aesthetic.
- 6. Tailored Security Solutions:** Select from a range of security options, including key locks, breakaway locks, and electronic locks with key overrides, to suit your needs – most models feature a breakaway seal and lock bar.

Optional Accessory Kits: Enhance functionality with a complete line of accessory packages ([See Page 4](#))

Further Your Emergency Preparedness with the LEP-C Accessory Package

Fully equip your team ahead of critical moments by adding the LEP-C accessory package to your emergency cart. Designed to enhance readiness with a variety of tools when every second counts. **Included Accessories:**

LIV-1 IV Pole

Be prepared when it matters with the LIV-1 IV Pole. This adjustable and sturdy pole enables quick and efficient fluid administration, a vital feature during critical care situations.

LCB-1 Cardiac Board

Improve your team's resuscitation abilities with the LCB-1 Cardiac Board. This durable board provides a firm surface, crucial for strong chest compressions and CPR, enhancing patient outcomes during cardiac emergencies.

LPS-1 Plastic Seals

Secure and organize your emergency supplies with LPS-1 Plastic Seals. These tamper-evident seals ensure that your emergency cart remains fully stocked and ready for action, providing peace of mind and quick access on demand.

LOB-1 Oxygen Tank Brackets

Safely fasten oxygen tanks with the LOB-1 Oxygen Tank Brackets. These reliable brackets hold your tanks in place when you need to provide life-saving oxygen at moment's notice.

LRS-2 Heavy Duty Railing

Stability and safety are now in your hands with the LRS-2 Heavy Duty Railing. This durable railing helps protect medical equipment during transport, maintaining the integrity of your essential tools.
